Dear Mr. Straub:

During its recent meeting, the National Committee on Student Contests and Activities approved your program(s) Youth Leadership Conferences for placement on the 2002-2003 National Advisory List.

In accordance with our guidelines, the Committee requests that you indicate approval of your program in any print or electronic promotional sent to schools or to the public using one or both of the options noted below.

1. Inclusion of the following statement:

The National Association of Secondary School Principals has placed this program on the NASSP National Advisory List of Contests and Activities for 2001-2002.

2. For the web or Email promotional, please post the Contests and Activities "Seal of Approval" on the program homepage.

On April 11, an email was sent to your organization using the address given on your application. Attached to that email was an electronic JPEG of the 2002-2003 "Seal of Approval" for your use. If you did not receive that email, please contact me at [sherrillj@principals.org](mailto:sherrillj@principals.org) and it will be resent. The 2002-2003 Advisory List will be posted on NASSP's Web site at <http://dsa.principals.org/scaa> in early August. Prior to then, the 2001-2002 will remain active.

A new benefit of having your program listed is the new Principals' Desktop Reference of the National Advisory List being planned for distribution to NASSP members beginning next school year. This brochure will include the 2002-2003 list of programs and sponsors and the committee guidelines. It will provide principals fingertip access to the National Advisory List and encourage visitations to the National Advisory List website and to your program site.

Sincerely,

Jeff Sherrill  
Associate Director
